ACTIVE YOUTH TODAY FOR BRIGHTER YOUTH TOMORROW

A DREAM MADE POSSIBLE

Thanks to your generous support, we were able to offer Equipment Assistance to Karson, allowing him to pursue his dream of playing for the Conway football team—a goal he has cherished for quite some time!

"We are so excited! I feel so blessed to have been helped by you guys and so relieved a stress. I literally sat here and just cried because for once I won't have to tell my son no I'm sorry we can't afford that. Thank you and God Bless." – Karson's Mom

Stories like Karson's remind us that when we come together, we can open doors and change lives.

ACTIVE YOUTH TODAY FOR BRIGHTER YOUTH TOMORROW

DID YOU KNOW.....

Arkansas ranks among the top three states in the nation for obesity, with youth aged 10 to 17 being particularly at risk. At Black Diamond Community Foundation, our goal is to encourage youth to be more **ACTIVE**, helping to mitigate this risk and promote greater involvement in physical activities.

HOW CAN YOU HELP!!

We receive equipment requests on a weekly basis, and to ensure our youth remain ACTIVE, we need your support. Consider becoming a sponsor! While Arkansas may not have a professional team, many of our young athletes aspire to reach that level, but they require the opportunity to play. Every donation makes a difference.
